

# SmartTouch<sup>®</sup> Innovation

Milgard has a long-standing tradition of innovation.

The SmartTouch window lock and door handle addresses the need for durable, easy to use windows and patio doors that exceed rigorous California forced-entry codes\*.

## INTUITIVE

It's the easiest way to unlock and lock windows allowing you to open or close them in one smooth, single motion. No pinching, squeezing or twisting.

## STREAMLINED

The SmartTouch window lock mechanism is incorporated into the window sash for a sleek, low-profile design.

## STRONG

The lock assembly is constructed from die-cast zinc making it strong and built to last.

## SECURE

It offers peace of mind you can see. When the handle is down, the window is locked so you can rest assured your window is secure at a glance.

SmartTouch Door Handle

## ERGONOMIC

A simple one-touch motion unlocks, opens and closes the door, making it accessible and usable for all ages.

## SMARTTOUCH BOLT

A fully integrated steel bolt that secures the sliding patio door firmly into the top frame with the flip of a lever - an industry first! Let the fresh air in while keeping the door secure in a vented position.

## SECURITYMAX<sup>™</sup> PACKAGE

Includes a multi-point locking system paired with the SmartTouch Bolt. The lock is activated with a single motion of the handle which engages four locking points and secures the door in the top frame and bottom track. This provides five points of security on your patio door.\*\*

# SecurityMAX™ Package

Our most advanced security and locking system exclusively for Tuscany® Series sliding patio doors.

The SecurityMAX package includes the multi-point locking system paired with the innovative SmartTouch® Bolt, a fully integrated, easy-to-use steel bolt that secures your sliding patio door firmly into the top frame with the flip of a lever.

As an added benefit, SmartTouch Bolt can let the fresh air in while keeping the door secure in a vented position.

The multi-point lock is activated with a single motion of the SmartTouch door handle, engaging four locking points and securing the door in the top frame, bottom track and at the handle.

Together, SmartTouch Bolt and the multi-point locking system provide five points of security on your patio door.\*

Whether you are home or away, the SecurityMAX package will help provide you with peace of mind.
