

V450

HOMEMAKER SERIES

PREMIUM VINYL WINDOWS & PATIO DOORS

FOR NEW CONSTRUCTION OR REPLACEMENT
STYLISH AND DURABLE

Classic design. Timeless appeal.

The V450 is a premium vinyl window and patio door series that is perfect for replacement or new home construction projects.

Designed with relentless attention to detail, the V450 is built with precision utilizing high-performance materials to optimize for energy efficiency.

The stylish frames can help enhance the curb appeal of your home for years to come.

V450 | HOMEMAKER SERIES OFFERS:

- Warm-edge spacer system maximizes energy efficiency and improves seal performance of insulated glass units
- Welded, multi-chambered frame and sash for superior strength and energy-efficiency
- Six frame colors to enhance the look of any style home
- Recessed lock and keeper enhances the style and creates a tighter, safer seal
- The Milgard Lifetime Limited Warranty

Why Milgard Windows & Doors

Quality

Milgard offers award-winning windows and patio doors built for long-lasting comfort. For over 50 years, industry experts have consistently recognized Milgard as a trusted brand. In fact, we've been the #1 online rated window and patio door brand for four years in a row*.

*According to MetrixLab.

Experience

Since 1962, Milgard has designed and assembled superior custom-made windows and patio doors for replacement, remodeling and new construction. Milgard is known for their industry-leading designs, using patented technologies, that help make your home more comfortable.

Service

We have always taken great pride in our ability to provide exemplary customer service. We believe that being close to our customers allows us to provide a better service experience. You'll find Milgard factory trained technicians near you in the Western U.S.

Warranty

We have a dedication to quality and build our windows and patio doors to last. With V450, you're covered with our Lifetime Limited Warranty. Full Lifetime Warranty also available as an optional upgrade for a fee and must be selected at time of purchase. See complete details at [MILGARD.COM/WARRANTY](https://www.milgard.com/warranty)

Energy Efficiency

Tested and Built for Your Climate

At Milgard, we help homeowners like you make an impact on their energy consumption by offering energy efficient windows and patio doors designed for your home's comfort.

We make it easy to meet local energy codes and green building efficiency standards with a selection of energy packages you can tailor to your specific climate. We conduct thermal simulations to improve energy performance and we adhere to ENERGY STAR® v6 requirements that meet or exceed U-Factor and Solar Heat Gain Coefficient (SHGC) criteria in the areas we serve.

Your energy efficient windows could include one or more of the following features based on your climate.

- Low-e
- Argon
- Intercept or Super Spacer
- 4th-Surface Low-e

- NORTHERN
- NORTH-CENTRAL
- SOUTH-CENTRAL
- SOUTHERN
- ZONE A
- ZONE B
- ZONE C
